HACHATHOON DAY #2

Project Name : Premium furniture Markelplace

Hackathon phase : Day-2 Planning the
Technical foundation.

- Recap of Day 1 - Laying the foundation

  yesterday we planned the business side
  of the marketplace let's check out
  a quick recape.

- Marketplace Typ : General E-commurce
  (Selling sofas, lamps & tables).

- Business Goals : i) Provide a premium
  furniture shopping experience.

  ii) Make it easy for buyers to order &
  tracking shipments.

- Data Schema Drafted :
  i) Define Products, users, Orders,
  Shipments.
  Now lets go to Technical Side.
